subject: Will You Help CBT Dance Academy
Leap to a Brighter Tomorrow?

Latest Updates for the fundraising efforts of: [Help CBT Dance Academy Leap to a Brighter Tomorrow](#)

"When I dance, I'm creating something beautiful."

How many kids, when asked why they dance, would answer this way?

Very few and yet, in a quiet corner of Brooklyn, many children are creating something beautiful.

Although they don't realize it, the ballet classes they love trace their origin all the way back to Renaissance Italy. Ballet unites painting, poetry and music and allows a child to discover their hidden talents.

Please help **Covenant Ballet Theatre** remain a place for beautiful creations.

Since Hurricane Sandy last year, our revenue has dropped sharply. We are leaving our current space and need to raise \$19,000 for a new home. Your most generous donation would help keep ballet classes accessible to area children.

Covenant Ballet Theatre is a non-profit dance academy serving the south Brooklyn community. We teach ballet, with all its rigors and discipline, in a warm, holistic manner. Our students vary in age, ethnicity and ability.

We've provided scholarships for dozens of needy students over the last 25 years. For more information please visit us at www.covenantballet.org or call us at 718-891-6199.

If you can, please show your support by visiting the page and donating to the cause.
